A Fletcher Company

EaselMate™

EaselMate™ is designed to replace standard awkward, unstable cardboard easel backs. EaselMate fits both wood and metal frames, handles up to 11" x 14" size, installs in seconds and adjusts to any angle. EaselMate™ is easily removable, extremely sturdy, very economical and will not collapse like standard easel backs.

- Available in a 2 piece retail package, 12, 24, 48 and 100 piece bulk packages
- Available as wood/metal or wood only package configurations

DisplayEasel™

This decorative easel allows you to display photos, mirrors, acrylic artwork, plaques, diplomas and awards without the use of a full table easel. The DisplayEasel™ attaches to any flat backing in seconds using a self-adhesive channel, adjusts to any angle and is extremely sturdy.

- Available in a 2 piece retail package and a 12 piece bulk package
- Available in black or silver channels for decorative preference

FrameStrap™

A professional, economical method of keeping medium to large frames rigid eliminating the risk of glass breakage due to bowing of the frame when handled. Works with both metal and wood framing projects.

Used in conjunction with Fletcher Picture Perfect – No Wire hanging product for metal, makes a complete system for adding value to your framed artwork or poster.
