FrameStrap™

The Fletcher-Terry Company, LLC

EaselMate™

EaselMate™ is designed to replace standard awkward, unstable cardboard easel backs. EaselMate fits both wood and metal frames, handles up to 11" x 14" size, installs in seconds and adjusts to any angle. EaselMate™ is easily removable, extremely sturdy, very economical and will not collapse like standard easel backs.

- Available in a 2 piece retail package, 12, 24, 48 and 100 piece bulk packages
- Available as wood/metal or wood only package configurations

FrameStrap™

A professional, economical method of keeping medium to large frames rigid eliminating the risk of glass breakage due to bowing of the frame when handled. Works with both metal and wood framing projects.

Used in conjunction with Fletcher Picture Perfect – No Wire hanging product for metal, makes a complete system for adding value to your framed artwork or poster.

- 09-321 FrameStrap (Wood/Metal) w/5 Ft Strap - 1 pc/pkg
- 09-322 FrameStrap for Wood/Metal - 12 pcs/box (Bulk Package)

Fletcher - No-Wire Hanging System

Safely hangs framed artwork, mirrors and wall décor up to 100 lbs through the use of a standard, or heavy duty type system. Used with wood, or metal frames, and is a great method for hanging framed canvas artwork. Wall décor remains level, safe and permanently secure without the use of traditional D-rings, wire or saw tooth hangers.
