

# Fletcher *Points & Drivers*

ING • ARTS & GRAPHIC MATTING • DIGITAL PRINT & PHOTO LABS • CUSTOM PICTURE FRAMER • PROFESSIONAL ARTIST • HOBBYIST • SIGN FABRICATORS

You can count on our drivers to fire consistently

Our drivers won't double-feed

Our point driver warranty will be honored  
when you use Fletcher points

*Images can differ slightly from products.*

## FlexiMaster®

Used in jobs where changeable artwork & photographs are needed

## FrameMaster®

Professional quality used to permanently hold glass, art work & backing materials securely in place

## MultiMaster®

The best fastener for layered (stacked) and liner mouldings

## Pneumatic Point Drivers

Professional, volume assembly pneumatic drivers

**Favored worldwide by professional framers for making the most trusted points and drivers in the industry.**

Since the 1980's Fletcher-Terry has lead the industry for setting the performance standards for points and drivers used in the picture framing industry, and that trend continues today. Is saving pennies on some knock-off points worth risking the value of your framed artwork? We don't think so.
