## Product Specifications

### *Mitre-Mite® Positive Placement Clamp*

*The "Positive-Placement" clamp assembly is our newest clamp attachment design that has improved the clamping hold by incorporating pre-drilled positioning points throughout the vertical clamp design.*

*It's new spring-loaded pull pin locking mechanism eliminates slippage, wear on vertical rod and quickly allows it's operators to adjust from different clamp heights without the need of consistently loosening & re-tightening handle assembly.*

**Item Code #298390380**

*(does not include any pressure pads)*
